PROFESSIONAL SUMMARY

Computer Science Engineering student with strong experience in Python, Machine Learning, FastAPI, and backend system design. Hands-on experience in building ATS platforms, resume parsing pipelines, NLP systems, and scalable web APIs. Strong understanding of data structures, algorithms, and cloud-ready application architecture.

SKILLS

Programming Languages:

Python, Java, C++, JavaScript

Frameworks and Libraries:

FastAPI, Flask, React.js, TensorFlow, scikit-learn

Machine Learning and AI:

Machine Learning, Deep Learning, Natural Language Processing (NLP),
Resume Parsing, Text Classification

Databases:

PostgreSQL, MySQL, SQLite

Tools and Platforms:

Git, Docker, Linux, AWS (EC2, S3), GitHub Actions

EXPERIENCE

Software Engineer Intern

ABC Technologies

June 2024 – December 2024

- Developed REST APIs using FastAPI for resume processing and candidate evaluation
- Built NLP pipelines for resume parsing including skill extraction and experience detection
- Integrated LLM-based resume summarization for recruiters
- Improved ATS scoring accuracy using weighted scoring algorithms
- Worked with PostgreSQL database and optimized queries for large datasets

PROJECTS

Enterprise ATS Platform

- Designed and implemented an Applicant Tracking System (ATS)
- Implemented resume parsing using NLP and regex
- Integrated LLMs for recruiter-friendly resume summaries
- Built MCQ and coding evaluation pipelines
- Implemented ATS score and final candidate score logic
- Tech Stack: Python, FastAPI, PostgreSQL, Docker

Resume Parser using NLP

- Extracted skills, experience, and education from resumes
- Cleaned and normalized resume text
- Achieved high parsing accuracy on multiple resume formats

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science Engineering

O.P. Jindal University, Raigarh, Chhattisgarh

Duration: 2022 – 2026

Current Semester: 4th

CGPA: 8.2 / 10

Relevant Coursework:

Data Structures and Algorithms,

Database Management Systems,

Operating Systems,

Computer Networks,

Artificial Intelligence,

Machine Learning,

Software Engineering

CERTIFICATIONS

- Introduction to Cybersecurity – Cisco Networking Academy
- Machine Learning Foundations

ACHIEVEMENTS

- 1st Place – Tech Lab 2024
- 1st Place – ICFAI Tech Fest
- 4th Place – National Innovation Fest

ADDITIONAL INFORMATION

- Strong problem-solving skills
- Experience with scalable backend systems
- Comfortable working with APIs and microservices
